SCHWEIGER

VINEYARDS

Please join us for this unique Wine & Food experience!

We will have Charlie & Molly Meeker from The Meeker Vineyards in Sonoma & Andrew Schweiger from The Schweiger Vineyards in Napa sharing their knowledge and wines paired with Keith's finest dishes.

-Charlie Meeker gave up life in Hollywood as the President of MGM studios and producer of several Hollywood hit motion pictures and Molly an Executive in the Television Industry, to express their "talents" in the winemaking industry.

-Andrew Schweiger's family began growing grapes on their estate in the Spring Mountain region of Napa selling them to well known wineries such as Cafaro, Newton, Stags Leap & ZD. Andrew grew up in those vineyards and is now Winemaker for the Schweiger Estate Vineyards.
